

A golden, textured silhouette of a guitar, possibly a steel guitar, is positioned on the left side of the image. The guitar is oriented vertically, with the headstock at the top and the body at the bottom. The texture of the guitar appears to be made of a coarse, granular material, giving it a metallic or stone-like appearance. The background is solid black.

**Kent Steel
& the
Xtensions**

country, rock and blues

For more than twenty years, the members of Kent Steel and the Xtensions have been making music, playing live, singing jingles, recording albums and continuing to stay alive and successful in an ever-changing business. Professionalism is the name of the game. This is the one element that keeps Kent Steel and the Xtensions afloat in a vast sea of other artists.

Kent Steel had international success when "2nd Floor on My Trailer" charted in the top ten in Europe and the United States on the independent charts.

Kent Steel and the Xtensions have worked with other nationally known acts such as; Joe Dee Messina, Lonestar, Sawyer Brown, REO Speedwagon, Joan Jett, Dr. Hook, Mark Wills and Grand Funk Railroad. They have also appeared with Eddie Money, Foghat, Survivor, Orleans and Starship.

Kent Steel and the Xtensions have released their new album, *Live At The Music Factory*. This album contains songs that continue the band's tradition of good-time blues-country and rock music. Their live shows continue to satisfy the audience as well as the promoter. Kent Steel and the Xtensions will work with you to make your event a success.

KENT STEEL
Vocals, Keyboards,
Guitar, Mandolin

Kent is a veteran of live music performance. Kent's vocals can be heard on some of

today's most popular jingles. He is an accomplished song writer and studio engineer. Kent can be heard providing lead vocals for the animated feature " *on the Farm*" produced by Amy Grant and Vince Gill. Originally from Michigan, Kent and his family now make their home in Race City USA, Mooresville, NC.

MIKE PHILLIPS
Bass Guitar, Vocals

Mike is also a seasoned veteran of live performance. Mike is a North Carolina native who has more than twenty-five years of experience in the music industry. He is a multi-talented musician who plays the drums and guitar as well as the bass guitar. Mike is a founding member of Kent Steel and the Xtensions. Mike is proud to play Music Man guitars and endorse David EDEN Bass Amps.

DAVE BENNETT

GUITAR/ VOCALS

Dave has been playing music since the age of four. He is also an accomplished drummer and bass player. Dave formerly played with Head East where he toured nationally with bands such as Humble Pie, Bad Finger and others. Originally from Los Angeles California, Dave now makes his home in Kannapolis, North Carolina.

Dennis Bedenbough:

“Animal”

Dennis is our pocket in the band with Plenty of feel to go with it. Being on the road most of his adult life with many major acts has only fueled his experience level and desire to play like he does!

Animal has played all around the globe And travels with major acts as a tech when he’s not out with the band. Dennis also owns and operates his own music store in Gilbert Sc. The Gilbert Music Vault. And handles sales, Lessons & Backline for pros. Dennis is a great asset to Kent Steel & The Xtensions and we are proud to have him on board.

Hello Kent,
Thank you so much for showing me your world. I had a great time hanging out with you and the band. You guys totally amaze me with your talent. I've been telling everyone about you. And by the way, you have an awesome studio. Nicely set up with all the equipment that any artist would be proud to record with. Thanks again.
